

WINGS OF FIRE

DRAGON

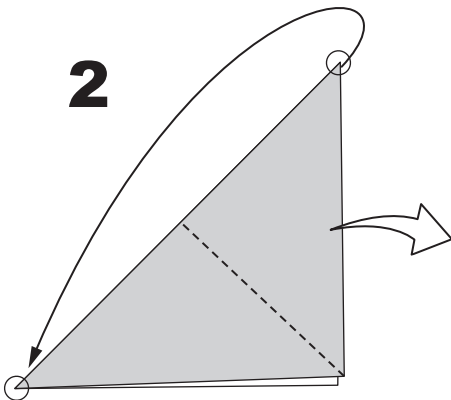

1

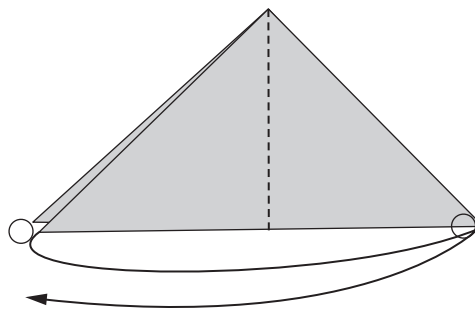

Fold in half diagonally.

2

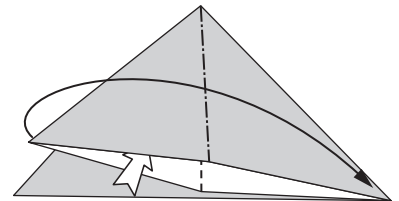

Fold in half again.

3

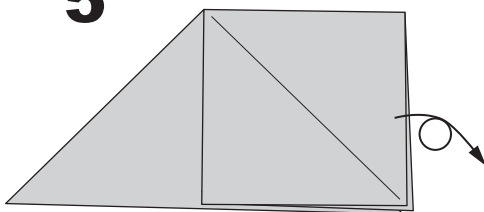

Fold the left corner to the right corner and unfold.

4

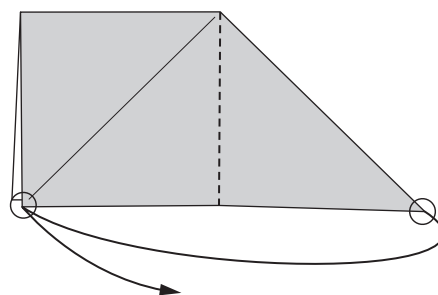

Spread apart the two front layers and squash down flat.

5

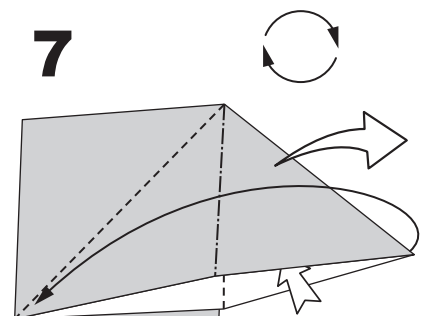

Flip the paper over.

6

Fold the right corner to the left corner and unfold.

7

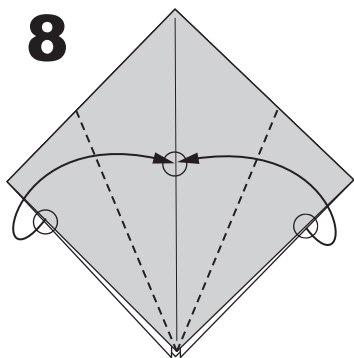

Spread apart the two front layers and squash down flat. Rotate to the left.

WINGS OF FIRE

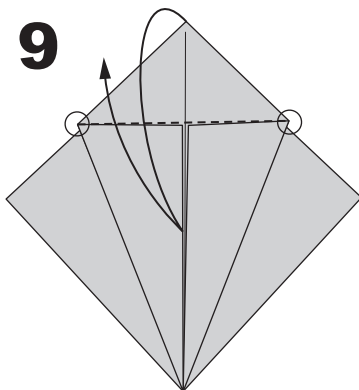

DRAGON

8

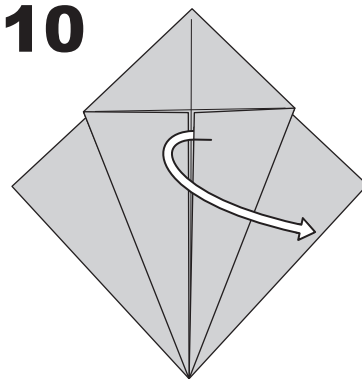

Fold the bottom left and right edge to the midline.

9

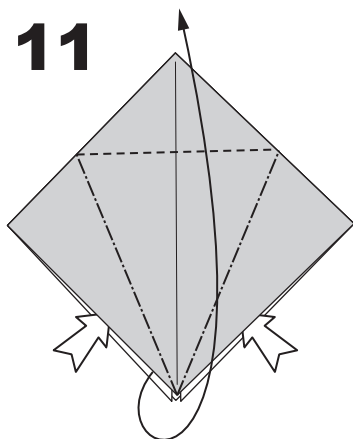

Fold the top part straight down.

10

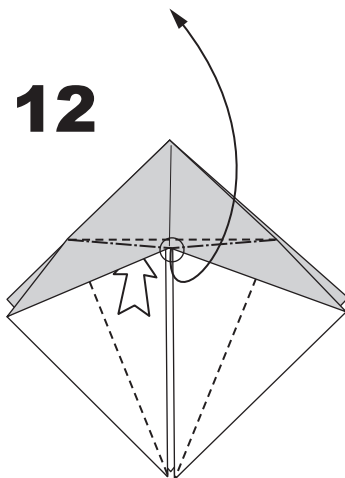

Unfold the previous step.

11

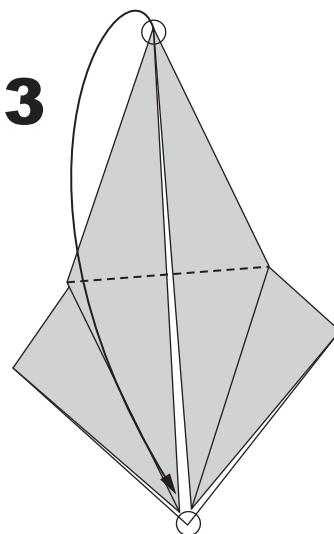

Lift up only the top layer and fold along the creases in step 8 and step 9.

12

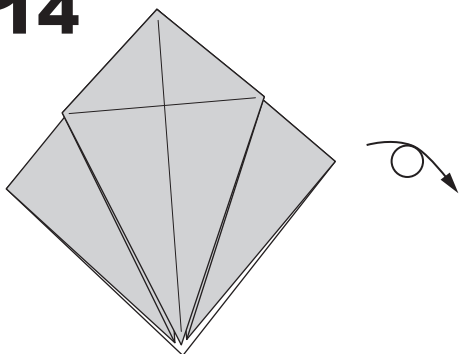

As you lift the top layer up your paper looks like this. Keep moving the circled corner up.

13

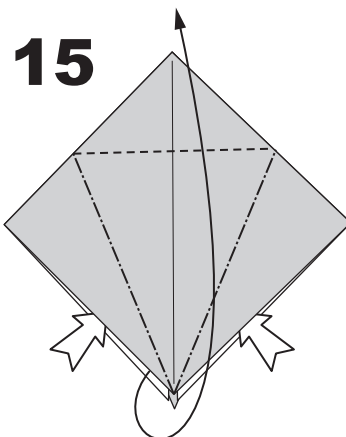

The result of step 11 and 12. Fold the top corner back down.

14

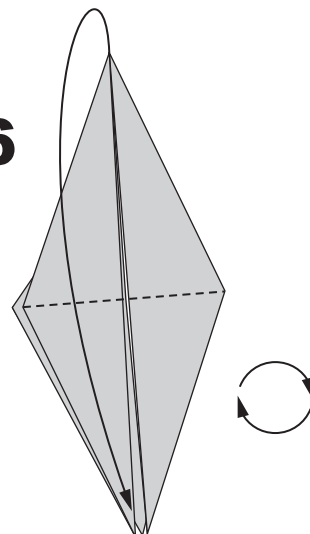

Flip the paper over.

15

Repeat steps 11 and 12 on this side too.

16

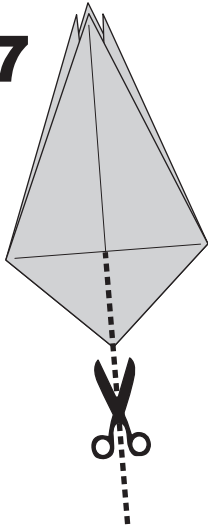

Fold the top corner back down.

WINGS OF FIRE

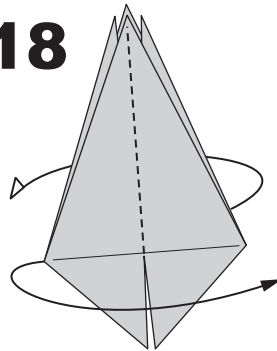

DRAGON

17

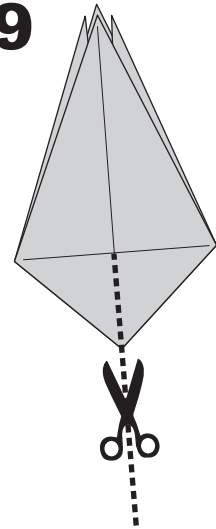

Cut the paper as shown along the midline.

18

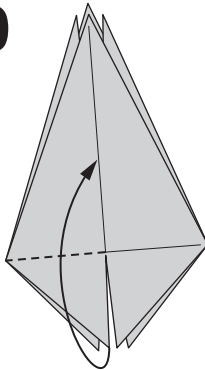

Fold the left edge to the right in front and the right edge to the left in the back.

19

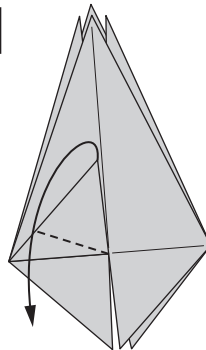

Cut the paper as shown along the midline again.

20

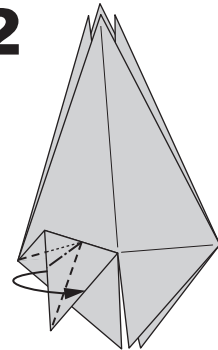

Now you have four flaps at the bottom. Fold one straight up.

21

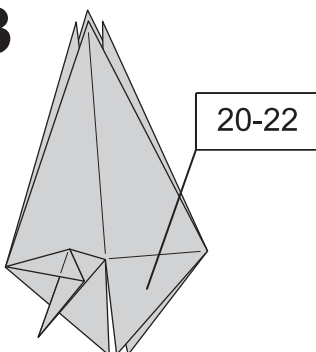

Fold the flap back down at an angle.

22

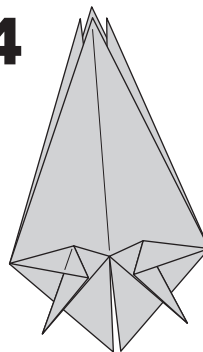

Make the flap narrow by folding the left edge over to the right. Swivel some paper at the same time.

23

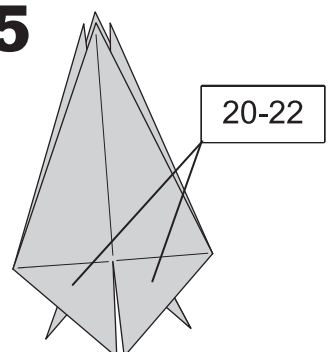

Repeat steps 20-22 on the front-right flap.

24

Flip the paper over.

25

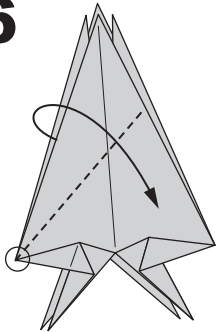

Repeat steps 20-22 on the remaining two flaps.

WINGS OF FIRE

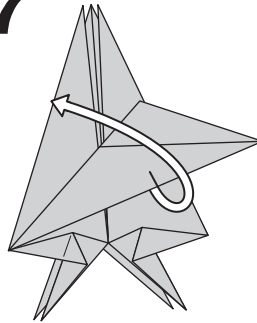

DRAGON

26

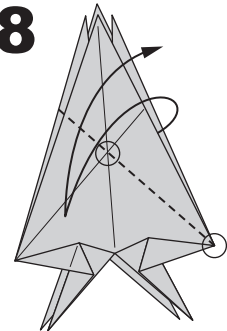

Fold the left edge over at an angle. Pivot at the circled point.

27

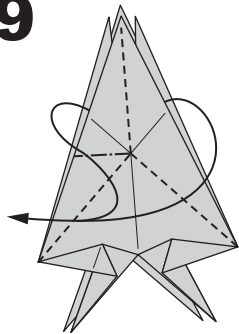

Unfold the previous step.

28

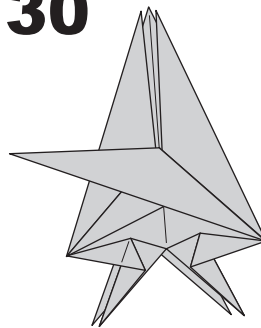

Repeat step 26 on the right side.

29

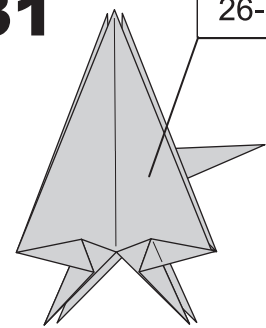

Pinch the left and right edges together to make a skinny flap and fold it over to the left. This is called a rabbit-ear fold.

30

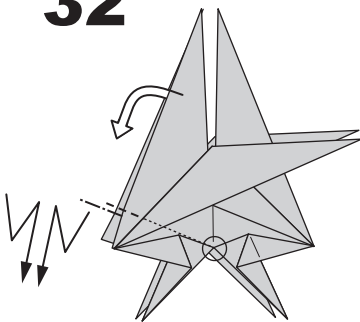

Flip the paper over.

31

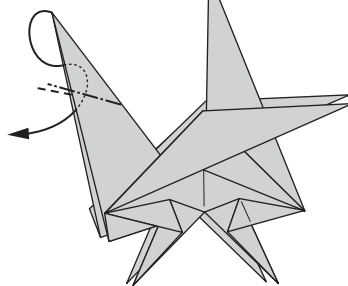

Repeat steps 26-30 on this side too.

32

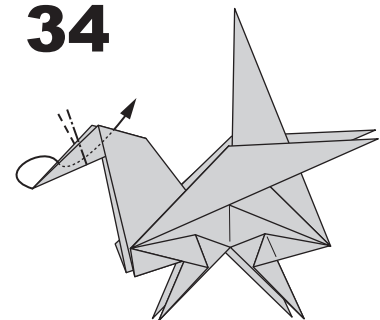

Pivot at the circled point and shift the left flap down so it sticks out to the left.

33

Push the tip of the flap down and out to make a head. This is called an inside-reverse fold.

34

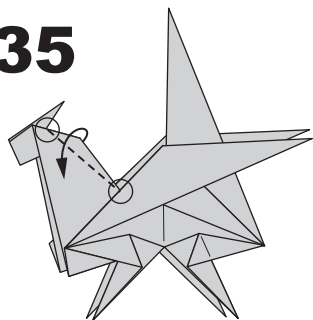

Inside-reverse fold the tip back to the right.

WINGS OF FIRE

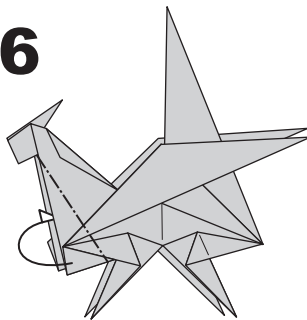

DRAGON

35

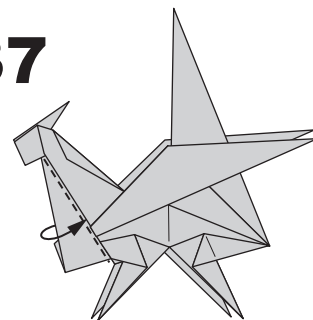

Fold the top of the neck down to make the neck more narrow.

36

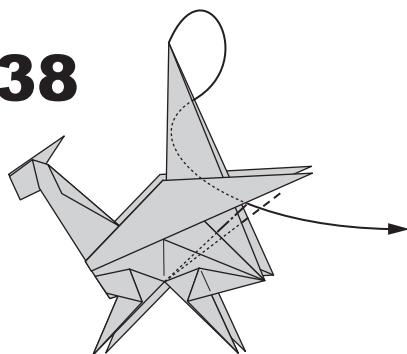

Fold the left side of the neck inside to narrow it once more.

37

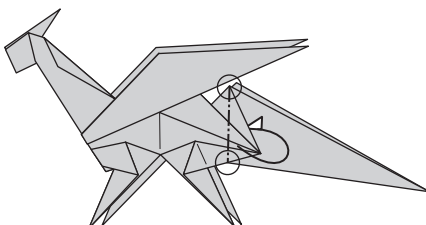

Fold the rear layer of the neck inside.

38

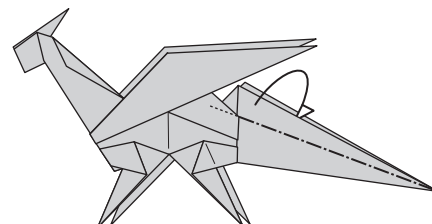

Inside-reverse fold the tail out and down to the right.

39

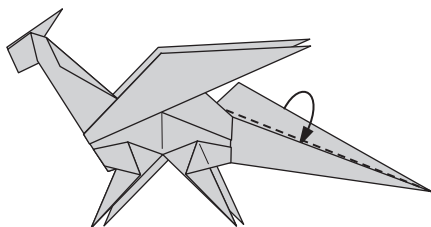

Fold a small triangle of paper inside. Repeat behind also.

40

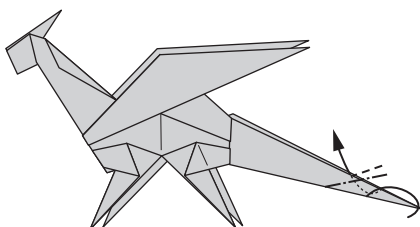

Fold the top of the front layer of the tail inside.

41

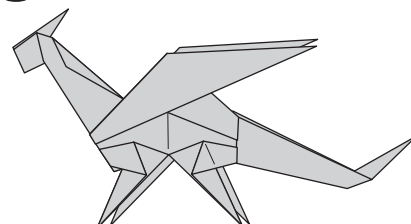

Repeat the previous step behind also.

42

Inside-reverse fold the tip of the tail up and out.

43

Completed dragon!
