It was a very sunny and fun afternoon. Princess Magnolia had just won a game of Chutes and Ladders against The Goat Avenger when the monster alarm started ringing. Princess Magnolia knew it was time to transform into the Princess in Black.

The Princess in Black arrived at the hole to Monster Land.

"AAAHHHHHHHHHHHHHHH!!!"

"What on earth is that noise?!" said the Princess in Black as she spun around looking for the monster that had set off the alarm. Suddenly, out of the corner of her eye, she spotted a baby monster hanging from a nearby branch.

"Aaaaahhhhhhhhhhhhh!" yelled the little monster with fear. "Help me! Help me, please!"

Quickly, the Princess in Black rushed to catch the tiny monster as she fell from the branch.

"What is your name and why were you in a tree?" asked the Princess in Black.

"My name is Dandelion, and that thing was trying to eat me." stuttered the tiny monster with fear as she pointed at a small bumblebee flying around some flowers.

"Don't be silly, it's just a little bumblebee! It wouldn't eat you." laughed the Princess in Black.

The Princess in Black wanted to help the little monster. She discovered that Dandelion was lost.

Meanwhile, the monster alarm started ringing, again! The Princess in Black quickly turned around and saw a GIGANTIC red monster with pink lip gloss on climbing through the monster land hole.

"My baby! How dare you run off like that!" yelled the Mama Monster to the Princess and Dandelion.

The Princess in Black explained that she had saved Dandelion from falling out of a tree.

The Mama Monster was happy to be reunited with her baby, Dandelion, and thanked the Princess in Black for rescuing her. Together Dandelion and her mama returned back to monster land.

The Princess in Black returned to her castle, relieved that she had been there to help little Dandelion find her Mama.
