

The Princess in Black

Princess Magnolia was enjoying some hot cocoa and chocolate chip cookies with Duchess Wigtower. "Why thank you for coming to visit me!" said Princess Magnolia.

"Yes, and every time, I uncover secrets! Like things in closets, under carpets and stuff like that!"

"Closets!?" said Princess Magnolia in a surprised voice.

"Yes, in closets."

Later, BRRRING!! BRRRING!! "Oh! Not now!" thought Princess Magnolia. The monster alarm!

"What is that ringing sound?" said Duchess Wigtower in a very questioning way.

"It's a, um well... it's an awkward sounding sheep!" said Princess Magnolia in a nervous way.

"Well that's a weird sounding sheep! said Duchess Wigtower.

"Maybe it's sick," said Princess Magnolia. "I will go check and see if it is ok," said Princess Magnolia.

"So you're going to leave me in here!" said Duchess Wigtower.

"Don't worry, i will hurry," said Princess Magnolia.

"But I want to go too!" said Duchess Wigtower.

"I promise I will be right back, ok?" said Princess Magnolia.

"Oh Ok!" said Duchess Wigtower. As Princess Magnolia walked to the door, her glass slippers went Tink Tink Tink Tink. Princess Magnolia snuck into the broom closet and transformed into the The Princess in Black! She went down a secret slide with a SWOOSH!! The Princess in Black slid out of the secret slide and started to jump over the castle wall! Frimplepants was in the castle garden when his hoof started to ring! And it lit up!

Frimplepants made sure no one was watching then jumped through a secret tunnel in the tree. He went through the tunnel and transformed into the Princess in Blacks faithful pony... Blacky!! As the Princess in Black was almost to the ground, Blacky, with a SWOOSH came out of a secret tunnel in the ground and the Princess in Black hopped on to Blacky's back and they were off!! Later, back in the castle Duchess Wigtower sat impatiently, Duchess Wigtower started to snoop around. She looked and looked and soon she went to look in the broom closet. "I found a secret of Princess Magnolia's!" shouted Duchess Wigtower. Back to the Princess in Black; they had arrived at the farm. They were looking for the monster. A couple minutes later they saw the monster. It looked like a cute innocent little guy. He was light blue and had really short arms and really short legs. But he was trying to eat the farmer's animals! First he tried to eat the cows, but that didn't work cause The Princess in Black stopped him! The Princess in Black stuck him back down the hole. "Thank you thank you!!" cried the farmer.

"Any time!" said the Princess in Black. The Princess in Black was off to go back to the castle! The Princess in Black jumped off of Blacky and over the castle wall and went up the secret chute. She quickly changed into her normal clothes and walked into the room where Duchess Wigtower was. "I am back!" said Princess Magnolia.

"Well finally!!" said Duchess Wigtower. "I wonder why i found a black sock in the broom closet!" said Duchess Wigtower. "Princess Magnolia laughed. Later, they finished their cookies and hot cocoa.
