

# THE Princess IN **BLACK** and the STRAWBERRY MONSTER

## Chapter 1

Brring! Brring! Brring! The monster alarm rang. Princess Magnolia woke up from her nice afternoon snooze and opened her eyes wide. She had been dreaming about her snack with Princess Sneezewort. “The Princess in Black is back!” said Princess Magnolia.

Princess Magnolia hurried into the broom closet. Slipping out of her fluffy pajamas, and fastening her mask, she was now the Princess in Black! There was no time for a yummy afternoon snack with Princess Sneezewort. She had to fight quickly in order to eat.

The Princess in Black went down the slippery chute. She found her pony, Blacky, waiting for her. “Fly, Blacky, fly!” she said. They hurried off to the goat pasture.

## Chapter 2

“ROAR!” yelled a humongous red monster with a strawberry face. The monster pointed his strawberry shaped wand to one of the goats, and murmured, “Funny Honey Strawberry!”

In a shower of sprinkles, the goat turned into a red ripe strawberry.

“Oh no!” yelled Goat Avenger. “We need to stop this monster before it turns all of us into bizarre looking strawberries!” said the Princess in Black. “Run and hide,” she shouted to the remaining goats who were shivering in fear.

The goats timidly raced away into the nearby blueberry bush.

“Funny Honey Strawberry Patch!” The strawberry monster roared and pointed his wand at the blueberry bush. In a flash, the bush was turned into a strawberry patch. The exposed remaining goats bleated loudly in fear, especially the newborn baby who started to cry.

“Behave fruity beast!” the Princess in Black shouted.

“ROAR!” roared the strawberry monster. “I am going to turn all of you into strawberries!” he pointed to the goats, Blacky, the Princess in Black and the Goat Avenger.

### Chapter 3

The Princess in Black hopped onto the strawberry monster’s head. The monster shook his head fast-left and right, up and down, trying to shake Princess in Black down to the ground.

The Princess in Black grabbed the monster’s leaves tightly and tried not to fall. The strawberry monster roared and aimed his wand at the Princess in Black. “Funny Honey Strawberry!” it roared.

The Princess in Black jumped flat on her tummy and escaped the strawberry spell.

The Goat Avenger jumped high and tried to grab the wand from the strawberry monster. The monster knocked the Goat Avenger to the ground. To be continued...
