

Your Child Is a Reader!

Dear Family,

Great news! This year, every student in our school will get to **choose ten brand-new books** to take home and keep at no cost to you or our school.

- You will receive five flyers throughout the school year. Please let your child choose two books from each flyer—for a total of ten books to read and keep.
- I will be sending home book flyers for you to look through together. Please have your child write the circle numbers of their book picks on the back of the flyer and return to me. The books will be delivered to our classroom.
- Your child will receive bookplate stickers with the books. Please have your child write their name on the stickers, peel off the back, and stick them on the inside covers of their new books.
