Connect the germs!

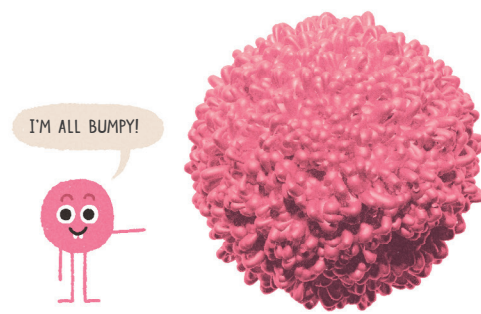

Do you know which type of microbe each character is?
Test your memory!

Min is an _____

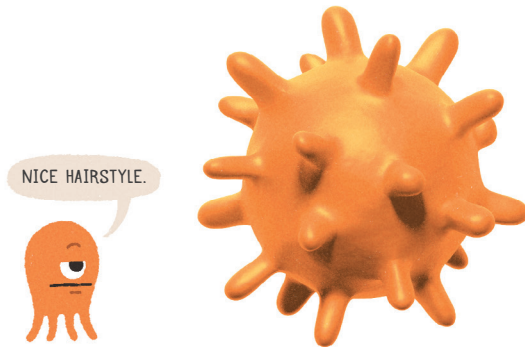

They live happily in your intestines, but they are very good at spreading, especially when you don't wash your hands too well.

Rae is a _____

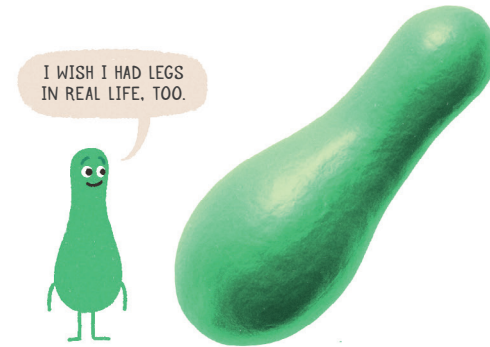

These bacteria live in lots of places, including your mouth, eating sugar and pooping acid that can dissolve your teeth.

Dennis is a _____

You probably picked him up while playing outside.

Jake is a _____

They live on lots of places, including your skin. They're big fans of dirt.

Word Key

fungus, streptococcus, corynebacterium, E. coli
